

Dedicated to get your site work done.

We understand the importance of getting the job done. We make sure you get the most out of every piece of equipment brought to your site. Once on site, we will evaluate work productivity, then adapt to conditions to make sure productivity is at 100%. This is ensured by providing service, maintenance, and operators - 24 hours a day, 7 days a week if needed.

We Provide Full Comprehensive Service

Dedication

Reliability

Versatility

Our Philosophy.

WG Land Company was developed to be a frontrunner in heavy site work construction. We are dedicated in completing every project ahead of schedule and on or below budget. The work we do is only of the highest quality and done to the specification of the client.

Our goal is to be a client focused company with open communication and the flexibility to help with all needs, large or small. Our commitment to our client is like no other. We are available 24-7-365 days a year.

Equipped to Meet Your Needs.

WG owns and operates a large fleet of heavy equipment to meet the industry's needs.

- Dozers D5 to D8
- Excavators 315 to 345
- Rock Trucks 25 to 40 ton
- Tri-Axels
- Rollers
- Backhoes

If we don't have it we will get it. We have formed many relationships with equipment dealers to have equipment delivered on demand. We are always looking for reasons to expand our fleet.

Resources

Our past projects have allowed us to work with several municipalities, engineers, conservations districts, and DEP officials successfully. We make it our business to know how these local organizations run and what they expect. It will be our pleasure to utilize this knowledge among other useful resources on your next job.

Services.

We are a Pennsylvania based company that has big ideas for the future. We started small, but have grown into a comprehensive heavy site work company. Our past projects include:

- Acid Mine Drainage
- Surface Mine Ponds
- Access Roads and Culverts
- Water treatment plants
- Large Earth Moving Projects
- Utility Installation and Removal

Your company has goals and we want them to become our goals. Our services include anything that you need us to do. We are available 24 hours a day, 7 days a week, 365 days a year.

We will:

- haul or move equipment (on-site or off)
- excavate and move large amounts earth
- build and maintain roads and ponds
- meet one on one to discuss site plans and changes
- perform all work in a safe environmentally aware nature
